Serving One Another in Love

Successful Walk-a-thon!

Walk-A-Thon contributions received through Tuesday, May 25, are **\$11,004**. We are still accepting your donations and collections from sponsors. Thanks to all who participated and were sponsored. The school has already spent **\$2,000** towards digital cameras for the students to use in computer lab for projects such as yearbook, stop motion animation, digital photo and editing elective classes and for teacher use when they are not being used for electives. Other technology expenditures expected are for updating keyboarding software in the lab such as Mavis Beacon or UltraKey. A DSLR camera such as the Nikon D5000 is also on the wish list. Nico Roundy will be doing more research this summer to spend the money wisely. **Way to go students and parents!**

A BIG Thank You to Our partners!

It's merchant appreciation time again!

The heart of the eScrip program is our merchant partners who provide the contributions for this increasingly essential fundraising program. Thanks to:

Safeway \$1,068.18

Andronico's \$202.61

Piazza's Fine Foods \$111.72

Reminder Parents

It is important to PTF for you to complete the **orange** Parent Volunteer Form that went home with registration packets!

If you still have your **Fall Leaves** from the students you have been praying for all year, it would be nice to return them to the students so they can have the leaves they made. Return to the office to be distributed to the teachers or give to your students and ask them how their year went!

June 3

Last Day of School with Special Chapel and Talent Show

August 23

Middle School Orientation AM /
Back to School Night PM

Science Fair

Middle School Science Fair Judges

Great projects by all

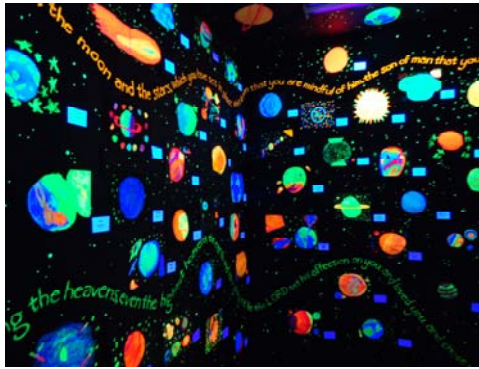

Thanks to Miss Snedaker for another awesome Art Show. Many parents and students came to check out the beautiful displays on May 13.

Young Authors' Fair

Art Show

Some of the art auctioned off this week.

Scholastic Book Fair

Mrs. Kilpatrick reported \$3,402.65 in sales for a profit of \$1201.33 for new books for the library. Approximately 486 books were purchased by students and parents. Some new acquisitions she plans to order will include nature and sports books as well as more book bags. Special guest Clifford visited with students during the days encouraging them to pick up some summer reading materials.

Here's the schedule for the last week at LACS for the 2009-10 school year:

June 1

5/5L to Monterey Bay Aquarium 8:25 AM-4 PM

Middle School to Great America 9:30 AM-2:30 PM
